

J-SMASH BIO

Uhone Luvhengo, popularly known as **J-Smash** is a South African producer, deejay & the founder of **J-Smash Foundation** focused on helping the youth do greater things for their communities through combined effort. **J-Smash** is the most far-reaching and influential young brand in Hip Hop to become evident in and from the Limpopo Province.' Born in 1999, the pioneering and ambitious hit-maker has expanded his brand to mainstream status.

Off his first project, '**Rise of a King**' EP released on the 13th of July 2018, he possessed successful breakout singles. "Show up" featuring **A-Reece, Zoocci Coke Dope & Flame** (2017), "You Know" featuring **Kid Tini, Ginger Trill & Fresh Boys** (2018) and the certified smasher, "Never Fall" featuring **Emtee** (2018). He then followed up with the hit-single "Ride" featuring **Just G, Sims and Ranks** (2019). In the first year of his mainstream, he performed at 'The Biggest Hip Hop Festival in Africa' Back To the City. He charted on most radio stations and his "Never Fall" Music Video was a regular feature on South African Television.

17TH April 2020 J-Smash dropped his EP called **MONUMENTAL** after weeks of building up the hype around it. This new project carries 6 tracks in total and holds features from the likes of **KLY, Zoocci Coke Dope, Jay Claude, Ka\$hcpt, Mac J, Batondy, Main, 25k, Doobie Man, Jayhood, Lucasraps, Mass the Difference, Touchline, Skufl (USA), Dibi & Indigo Stella**. The Project covers all types of Sounds. "Hold On Me" was a Big Hit on Radio & also made it on Radio Charts. He also made it on Spotify's International Cover "Tantalizers".

2021 He released his highly anticipated project "**Summer Time**" It has features from the likes of **Benyric, Maglera Doe Boy, Rapsy, Loki, Thato Saul, Bravo Le Roux, JST Sako, Miss Ready**.

September 7, 2022 J-Smash dropped this new Hip Hop track titled **Pheli** featuring **25k and Buzzi Lee**.

March 2023 - J-Smash and K.Keed have collaborated on an EP project Titled **Izandla**. This exciting musical venture showcases the talents of two rising artists in the South African music scene. The EP features a diverse range of sounds, blending **J-Smash's** signature trap beats with **K.Keed's** smooth vocals and introspective lyricism.

2023/03/10 - Apple Music's Rap Life Radio, presented by Global Editorial Head of Hip-Hop and R&B, Ebro Darden featured **J-Smash and K.Keed**.

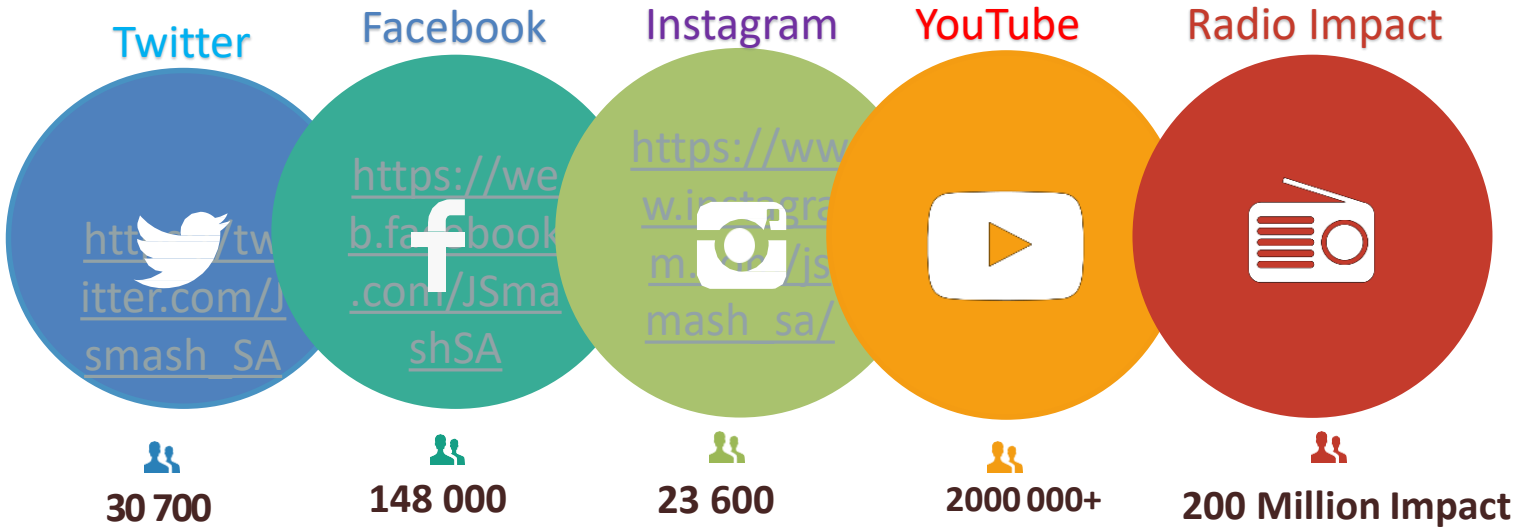

8 June 2023 - J-Smash unveils an unfiltered truth in his powerful track, “The Truth,” featuring the dynamic talents of **Thato Saul, Kwesta, Flow Jones Jr, and YoungstaCpt**.

This collaboration brings together a powerhouse of artists who fearlessly express their thoughts, experiences, and perspectives. “**The Truth**” is a testament to the raw and authentic nature of their lyrical prowess and magnetic flows.
